Participation in athletic and recreation activities involves the risk of personal injury. The use of equipment, facilities and premises of Niagara College [The College] by persons participating in athletics and recreation activities shall constitute acceptance of that risk regardless of the nature of the injury. The College, its officers, employees and agents shall not be liable for any injury, loss or damage sustained or suffered by persons participating in athletics or recreation activities on or off Niagara College property, whether caused directly or indirectly by conditions that may be aggravated by participation in this event [Examples: epilepsy, heart conditions, joint problems, a state of poor physical fitness, etc.] Participants should check with their physician before entering Niagara College Intramural Programs.

Your signature gives the athletic/recreation department permission to verify your enrollment.

Return Form to: Mike Hurley - Recreational Office (Athletic Centre – W003) Niagara On-The-Lake Campus
